FOR IMMEDIATE RELEASE**STEWART CAPITAL INVESTMENT STRATEGIES OFFERED ON HEDGECOVEST PLATFORM**

INDIANA, Pa. – March 27, 2017 – Stewart Capital Advisors, LLC, a subsidiary of S&T Bank, has teamed up with HedgeCoVest LLC to add three new institutional-quality strategies to the HedgeCoVest Managed Accounts Platform and the SMArt Xchange ('SMArtX'), a unified managed accounts platform available exclusively to SS&C Advent clients. The relationship with HedgeCoVest will offer access to three Stewart Capital domestic equity strategies for wealth advisors utilizing the HedgeCoVest and SMArtX platforms.

"We are excited to have our strategies included on the HedgeCoVest platform as we enter a new phase of our firm's growth," said Malcolm Polley, president and chief investment officer, Stewart Capital.

Utilizing its proprietary trading technology, HedgeCoVest allows clients to allocate assets to Stewart Capital's strategies in a separately managed brokerage account. HedgeCoVest offers advisors real-time performance reporting and intra-day liquidity for both traditional and alternative strategies, while taking advantage of the benefits and transparency of a managed account. Three of our strategies are now available through HedgeCoVest and its white-labelled SMArtX platform, including the All Cap Equity, Mid Cap Equity, and Large Cap Value strategies.

"We are excited to expand the selection of investment strategies available to advisors, while remaining consistent with our approach of delivering high levels of liquidity, transparency, and security in the investment process," said Evan Rapoport, CEO of HedgeCoVest. "Our vision and commitment to the highest industry standards are shared by Stewart Capital and we look forward to working with them to provide advisors with value-styled strategies."
